**TM ONE RECOGNISED BY CISCO AS SERVICES PARTNER AND  
MANAGED SERVICES PROVIDER OF THE YEAR**

TM ONE, the enterprise and public sector business solutions arm of Telekom Malaysia Berhad (TM) recently was recognised by Cisco as its Services Partner and Managed Services Provider of the Year 2017 for Malaysia at the Cisco Partner Appreciation Dinner.

Commenting on the latest recognition, Azizi A Hadi, Chief Executive Officer of TM ONE said, “It is our great honour to receive these outstanding awards from Cisco. These awards appropriately depict TM ONE’s role as the only enabler for businesses to realise the full potential of their digital opportunities. It is also a strong testament to our commitment in providing trusted business solutions to our enterprise and public sector customers leveraging on Cisco’s leadership in technology and innovation to drive digitalisation.”

“Over the years, we have established many collaborative efforts and TM ONE will continue to leverage on strategic investments with Cisco towards delivering seamless digital experience and integrated business solutions for business communication needs, true to TM’s vision of “Making Life and Business Easier, for a Better Malaysia”,” Azizi added.

Meanwhile, Naveen Menon, President of Cisco ASEAN, stated, “Malaysia is one of the most digitised nations in Southeast Asia. We are excited to see Cisco technology growing and delivering the digital journey for governments, large enterprises and small / medium businesses across Malaysia. Our continued partnership with TM ONE is critical for us to further drive the digital transformation of all industries.”

Through TM ONE, TM enables its customers and partners’ digital journey with seamless vertical and horizontal solutions toward their digital transformation. Positioned as the only enabler for businesses to realise their full potential of their digital opportunities, TM ONE offers solutions based on Cisco’s leading technology in the areas of Networking, Collaboration, Security, Wireless and Mobility as part of its portfolio in helping Malaysian enterprises effectively grow their digital business at an effective cost. TM ONE is also Cisco’s Certified Gold Partner and the first partner to sign as the Managed Services Provider for Cisco Meraki in Malaysia.

## **About TM**

Telekom Malaysia Berhad (TM), Malaysia's Convergence Champion and No. 1 Converged Communications Services Provider offers a comprehensive suite of communication services and solutions in fixed (telephony and broadband), mobility, content, WiFi and smart services. As a market leader, TM is driven by stakeholder value creation in a highly competitive environment. The Group places emphasis on delivering an enhanced customer experience via continuous customer service quality improvements and innovations, whilst focusing on increased operational efficiency and productivity.

Leveraging on our extensive global connectivity, network infrastructure and collective expertise, TM is well positioned to propel Malaysia into a regional Internet hub and digital gateway for South-East Asia.

As a multiple award winning model corporate citizen committed to good governance and transparency, TM continues its pledge to ensure the integrity of our processes, people and reputation as well as the sustainability of our operations. Our Corporate Responsibility (CR) ethos reinforces responsible behavior in the four main domains of the marketplace, workplace, the community and the environment. With a focus on ICT, the Group further promotes 3 major platforms i.e. education, community/nation-building and environment, through our Reaching Out programmes.

TM will continue to leverage on the strategic investments made earlier in unifi mobile and TM ONE to realise its Convergence and "Go Digital" aspirations as it moves beyond connectivity services into new value added digital services. The Company is embarking on a holistic approach covering customer experience, process optimisation and new business opportunities. This entails building a digitally aware and smarter workforce that acts as a catalyst to the digital transformation of TM, thus powering Malaysia's digital economy

TM looks forward to serving customers with relevant convergence propositions via the 5 pillars of Smarter Living, Smarter Businesses, Smarter Cities, Smarter Communities and a Smarter Nation - delivering a seamless digital experience and integrated business solutions to cater to individual lifestyle and business communication needs - towards making "Life and Business Easier for a Better Malaysia".
